YOUR SUPER WHEN YOU  
NEED IT MOST

## HOW DO WE HELP YOU?

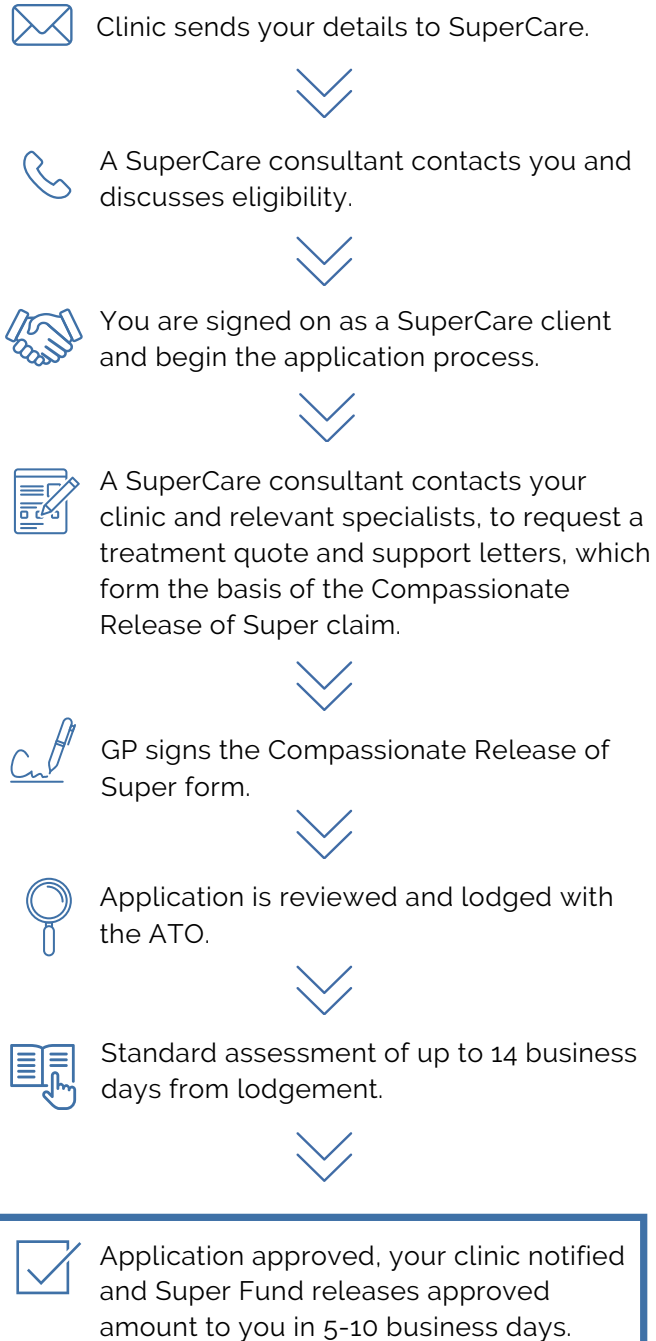

- 1** We streamline the application process, so you receive your funds quicker.
- 2** We case manage your application from start to finish.
- 3** We liaise with all third parties involved with the application process.
- 4** We have a direct channel with the ATO, allowing for prompt approval of your application.
- 5** We ensure all applications are made in accordance with all relevant rules, regulations and legislation.

### NO APPROVAL - NO FEE

SuperCare is a fee for service company and operates on a **no approval - no fee** basis. If your application is declined by the ATO or your Super Fund and the decision can not be overturned, we will provide you with a **full refund**.

Our long standing history and expertise ensures you receive a premium service in a safe, secure and timely manner. **Your Dentist has chosen SuperCare as their preferred provider of Compassionate Release of Super (CRS) support.**

## OUR PROCESS

## ABOUT US

SuperCare is an Australian owned company which was established to help everyday Australians eliminate the psychological stress associated with paying for expensive, yet essential, Dental procedures.

SuperCare alleviates this stress by streamlining the application process that is required to access Super to pay for Dental procedures and **all out of pocket expenses including private hospital fees, travel and accommodation.**

### BENEFITS OF USING SUPER AS A PAYMENT OPTION

- 1** You can access essential Dental procedures that you may otherwise be unable to fund and at the private hospital of your choice.
- 2** Super can be accessed for your partner, spouse or dependent child.
- 3** There is no cap to the amount of Super that you can access. You are only limited by the amount you have in your Super Fund.
- 4** Super is not means tested and there are no credit checks, as you are accessing your own savings.
- 5** You do not accrue large debts, which can take years to pay back.
- 6** No lengthy payment plan.
